

Kentucky Agricultural Development Board

Minutes of the September Board Meeting

The regular meeting of the Kentucky Agricultural Development Board was held on **September 17, 2004** at **1:00 PM EDT**, at the Franklin County Extension Office, in Frankfort. Commissioner Farmer, presiding, called the meeting to order, and the Secretary called the roll.

Members Present

Donna Amburgey; H. H. Barlow; Vickie Yates Brown; John Cleaver; Rodney Dick; Commissioner Richie Farmer; Dennis Griffin; Sam Lawson; Jim Mahan; Sam Moore; Dean M. Scott Smith (David Sparrow, designee); Secretary Gene Strong (Don Goodin, designee)

Members Absent

Governor Ernie Fletcher, Wayne Hunt, Danny Case

Others Present

Staff - Catherine Ball; Angela Blank; Brian Furnish; Bill Hearn; Tim Hughes; Kara Keeton; Maggie May; Bill McCloskey; Joel Neaveill; Brad Nelson; Keith Rogers; Stephen Yates **Guests** – Larry Snell Kentucky Center for Cooperative Development; Shana Herron Community Farm Alliance; Lowell Atchley Legislative Research Commission; Bonnie Cecil Community Farm Alliance (CFA); Janet Eaton Kentucky Department of Agriculture (KDA); Michael Judge Kentucky Department of Agriculture (KDA); Mac Stone Kentucky Department of Agriculture (KDA); Dr. Stan Archer; Randal Archer

Notification of Media

Commissioner Farmer received verification from Keith L. Rogers, Chief Executive Officer, that the media had received notice regarding the Agricultural Development Board meeting.

Welcome

Commissioner Farmer welcomed guests and staff. Mentioned how well the fair went.

Approval of Minutes

The minutes of the August 20, 2004 meeting were approved with three changes location, attendance, and called the meeting to order comments.

Executive Director's Report

Commissioner Farmer yielded the floor to Mr. Rogers for the Executive Director's Report.

Staff Announcements

Mr. Rogers welcomed Lucinda Pease as the new Records Manager and Project Analysis (PA) from Fleming County. Ms. Pease is a graduate of Morehead State University. Mr. Rogers also explained the last PA position has been filled; Nick Whobrey will be starting on October 1, 2004.

Update Folder

Mr. Rogers informed the board that there was a list of board addresses and phone numbers in their update folder and they were to give any changes to Angela by the end of the meeting.

Mr. Rogers pointed out the Requested Amendments Page in the update folder and noted that A2003-0522 has been withdrawn.

Mr. Rogers noted that an application update for Cumberland Meat Products was sent to them and that they will be asked to consider Recommendations for the project.

Mr. Rogers made note there was an addition to the Agenda; H. H. Barlow will make a presentation about the Kentucky Dairy Development Program.

Other Business

Mr. Rogers explained the last Legislative Oversight Committee meeting was very brief and that the Committee asked for additional information on model programs.

Mr. Rogers wanted the board to know that Leonard Olsen received his license and the In Town Winery agreement was executed on Tuesday August 31, 2004.

Mr. Rogers noted that Tim Hughes represented Kentucky Agricultural Finance Cooperation (KAFC) at the Bankers Convention in Covington, KY last weekend. Mr. Rogers also noted last Friday a KAFC meeting was held, and that the Ohio County Revolving Loan program is ready to start.

Referral of August Projects¹

Mr. Rogers presented projects A2004-0414 to A2004-0442 for referral to the Board's Project Review Committees. Mr. Rogers moved that projects A2004-0414 to A2004-0442 be referred the Board's Project Review Committees; Rodney Dick seconded the motion. The motion passed without dissent.

Approval of Model Programs²

Commissioner Farmer submitted projects A2004-0422, A2004-0428, and A2004-0415 as projects meeting the model **Agricultural Diversification Program** guidelines.

Commissioner Farmer submitted projects A2004-0425, A2004-0404, and A2004-0407 as projects meeting the model **Cattle Genetics Improvement Program** guidelines.

¹ A detailed list of the referred projects is attached as Appendix A.

² A detailed list of projects funded under each model program category is attached as Appendix B.

Commissioner Farmer submitted project A2004-0409 as a project meeting the model **Cattle Handling Facilities Program** guidelines.

Commissioner Farmer submitted projects A2004-0416, A2004-0414, A2004-0419, and A2004-0405 as projects meeting the model **Farm Livestock Fencing Improvement Program** guidelines.

Commissioner Farmer submitted projects A2004-0426, A2004-0408, A2004-0417, A2004-0424, A2004-0420, and A2004-0402 as projects meeting the model **Forage Improvement & Utilization Program** guidelines.

Commissioner Farmer submitted projects A2004-0433, A2004-0421, and A2004-0401 as projects meeting the model **Goat Diversification Program** guidelines.

Commissioner Farmer submitted projects A2004-0410, A2004-0423, and A2004-0391 as projects meeting the model **Hay, Straw & Commodity Storage Program** guidelines.

Commissioner Farmer submitted project A2004-0411 as a project meeting the model **On-farm Water Enhancement Program** guidelines.

Sam Moore moved the said applications be approved for the named model programs; H. Barlow seconded the motion. The motion passed without dissent.

Review of Amendments

Commissioner Farmer presented the following amendment for approval.

A2003-0317, Morgan County Fiscal Court, was approved on July 18, 2003 for \$141,750. The applicant requests and additional \$49,000.00 to complete the Hay, Straw, and Commodity Storage program in Morgan County. The request received a High priority from the Morgan County Council. The term of the program shall remain 18 months from the execution date of the original agreement. Approval of the request would bring the program total \$190,750.

Mr. Moore moved that said amendment be approved; Don Goodin seconded the motion. The motion passed without dissent.

Committee Reports

Blue Project Review Committee

Recommendations for Funding

H. H. Barlow reported for the Blue Project Review Committee (PRC). Barlow noted that the Blue PRC is presenting three projects for funding consideration.

H. H. Barlow presented **A2004-0375, Pulaski County Horticulture Association, Inc.** The application received a high priority from Pulaski County. The Pulaski County Horticulture Association requested \$25,000.00 of County funds to administer a Vegetable Program, similar to the Commercial Vegetable Production section of the Agricultural diversification Model Program. The Pulaski County Vegetable Program will be offered on a first-come, first-serve basis and allow 50% reimbursement to both new and experienced Vegetable farmers. The Vegetable Program will offer a Starter Package and an Expansion Package. Recipients under both packages will be eligible for 50% cost-share reimbursement for admission to certain vegetable production conferences, as well as group tour to vegetable farming operations. Mr. Barlow reviewed the proposed terms and conditions for the project.

Mr. Barlow moved that **App#A2004-0375 be approved for \$25,000.00 in Pulaski County funds**; Don Goodin seconded the motion. The motion passed without dissent.

H. H. Barlow presented **App# A2004-0376, Pulaski County Horticulture Association, Inc.** The application received a high priority from Pulaski County. The Pulaski County Horticulture Association requested \$25,000.00 of County funds to administer a Fruit Program, similar to the Commercial Fruit Production section of the Agricultural diversification Model Program. The Pulaski County Fruit Program will be offered on a first-come, first-serve basis and will allow 50% cost-share to both new and experienced fruit farmers on expenses associated with fruit production. A Starter Package will be offered to farmers who are just beginning commercial fruit production and an Expansion Package will be offered to farmers who have begun commercial fruit production and wish to expand their operation. Recipients under both packages will be eligible for 50% cost-share reimbursement for admission to certain fruit production conferences, as will as group tours to fruit farming operations. Mr. Barlow reviewed the proposed terms and conditions for the project.

H.H. Barlow moved that **A2004-0376 be approved for \$25,000.00 in Pulaski County funds**; Dean Smith seconded the motion. The motion passed without dissent.

H. H. Barlow presented **App# A2004-0403, Jessamine County FFA Association.** The application received a high priority from Jessamine County. The Jessamine County FFA Alumni Association requested \$750.00 in County funds to help offset the cost of holding a "Food For America" Field Day for youngsters in Jessamine County. This field day will introduce Kindergartners and First Graders to agriculture and the concept of where our food comes from. The FFA students will provide demonstrations and exhibits showing the different sources our food comes from. There will be educational materials to hand out to the teachers for follow up in the classroom. Funds will be used mainly for covering transportation costs, including mileage fees for the buses as well as paying the bus drivers, as well as the above mentioned educational materials the teachers will use to follow up in the classroom. Mr. Barlow reviewed the proposed terms and conditions for the project.

Mr. Barlow noted that the Blue Committee thought this was a stretch to pay for transportation costs and the committee recommended pending this project.

Commissioner Farmer asked how much was actually going towards the transportation costs. Donna Amburgey replied \$600.00. Ms. Amburgey asked if the school would provide the transportation if we did not. Commissioner Farmer said that KDA has the "Kids in the Classroom Program" as another option.

Mr. Barlow moved that **App#A2004-0403 not be approved for funding**; Mr. Cleaver seconded the motion. The motion passed without dissent.

H. H. Barlow presented application **A2004-0332, Cumberland Meat Products LLC (CMP)** is requesting \$110,000.00 in state funds to cover 50% of the renovation costs to bring an existing processing facility up to USDA standards in Cartersville, KY in Garrard County. The applicant is looking to purchase and upgrade an existing custom slaughter facility in Cartersville for the processing of goats and sheep. The building contains 3,763 square feet of processing area, 967 square feet of office space and 1,464 square feet of covered animal pens. ADB funds would be used to upgrade the existing facility and purchase processing equipment.

Discussion

Dennis Griffin voiced that he had concerns, but is for the slaughter facility. Mr. Griffin suggested pending the project as they have no control over the waste and there are environmental concerns.

It was noted that Red committee had concerns also.

Staff recommended funding with the terms and conditions found in the update folder.

Mr. Rogers brought up that as a term of the agreement they have to have permits for waste before any funding can be disbursed.

Mr. Rogers asked the Board if they could approve it with these permits.

Mr. Griffin noted that he still thought it was a bigger issue.

Mr. Rogers suggested doing a tentative approval and come back at a later date with a final approval.

Dr. Stan Archer, the applicant, said he had \$25,000 already into this and did not want it strung along anymore.

Mr. Randal Archer said he talked to people from Cornell University and there were no problems associated with composting. (i.e. no smells, no coyotes) Mr. Archer noted a permit is not required for composting and the waste will be transported 50 miles from the plant to his farm. He also emphasized this project has to be approved today to move through on Monday because he had already put \$1000 to hold the building.

Mr. Griffin asked how they plan on storing the carcasses when it rains.

Mr. Archer answered that the number of carcasses would not exceed the storage capacity at the facility.

The following issues were raised: Land Farm issues, compost issues, waste water issues, local, state and federal permits, and environmental issues

Mr. Lawson moved that the project be approved with the following stipulations: the compost portion is prohibited; the environmental and permit issues addressed by the board today be rectified by the Archers; and upon finalization of this permitting senior staff, Mr. Moore, and Mr. Griffin to give final approval. This process shall be completed before contract is executed and thus no funding is approved until after the contract is executed. Dean Smith seconded the motion

Vickie Yates Brown brought up legal issues concerning language in the Cumberland Meat Products update, stating that the Archers have no liability.

Catherine Ball (ADB General Counsel) said the contract includes language stating that the board approval was based upon the staff recommendation and that the board decision takes precedence over the application.

Recommendations for No Funding

Mr. Barlow presented **A2002-0404, Morgan County Fair Board**. The Morgan County Fair Board requested \$558,500 in State Funds and \$200,000 in Morgan County Funds, \$12,500 in Wolfe County funds, and \$6,000 in Breathitt County to build a livestock marketing center/show ring in West Liberty. Mr. Barlow moved that no funds be awarded A2002-0404 based on unverified match and project inactivity; Rodney Dick seconded the motion. The motion passed without dissent.

Mr. Barlow presented project **A2004-0382, Kentucky Wireless Company LLC/Fleming-Mason Service Corporation**. The Fleming-Mason Service Corporation requests \$15,000 in Robertson County funds to establish wireless broadband infrastructure in Robertson County. Mr. Barlow moved that no funds be awarded to A2004-0382 based upon the committee's determination that this project falls outside the Agricultural Development Funds mission; Dean Smith seconded the motion. The motion passed without dissent.

Red Project Review Committee

Recommendations for Funding

Sam Lawson reported for the Red Project Review Committee (PRC). Sam Lawson noted that the Red PRC is presenting six projects for funding consideration.

Mr. Lawson presented **A2003-0566, Chaney's Dairy Barn, Inc.** The application received a high priority from Warren County. Chaney's Dairy Barn, Inc. requested \$10,000 in Warren County Funds and \$100,000 in State funds to support the newly constructed "Dairy Barn" facility that will serve as a marketing outlet for Kentucky products. The Chaney's Dairy Barn is located on the family dairy farm that will offer homemade ice cream 12 months out of the year. Chaney's Dairy Barn will provide shelf space for Kentucky products like Kenny's Country Cheese, fruit from Jackson's Orchard and Nursery and beef products from Green River Cattle Company. Mr. Lawson reviewed the proposed terms and conditions for the project.

Mr. Lawson moved that A2003-0566 **be approved for \$10,000.00 in Warren County funds and State funds be pended**; Jim Mahan seconded the motion. The motion passed without dissent. [Amburgey and Barlow abstained]

Mr. Lawson presented **A2004-0368, Breathitt County Conservation District**. This application received a high priority from Breathitt County. Breathitt County Conservation District is requesting \$4,672.50 in county funds to purchase shared use equipment to be used by small farmers in their county. They will purchase two post hole augers, one fifty-five gallon sprayer, a small set of disk harrows, a small fertilizer seeder, a twenty five gallon boom sprayer and a herd seeder.

Mr. Lawson moved that **A2004-0368 be approved for \$4,672.50 in Breathitt County funds**; Mr. Moore seconded the motion. The motion passed without dissent.

Mr. Lawson presented **A2004-0383, Barren River Regional Livestock Center, LLC**. This application received high priority from Warren County. Barren River Regional Livestock Center, LLC is requesting \$25,000 in county funds to assist with cost of installing holding pens specifically to contain goats. The constructions of the goat pens are part of renovation project to convert a 150,000 square foot tobacco warehouse in Warren County into a state of the art stockyard facility. Completion of the renovation project is expected by the end of 2004 at which time the Bowling Green Stockyards, owned by the applicant since March 2003, will be moved to the new location.

Mr. Lawson moved that **A2004-0383 be approved for \$25,000.00 in Warren County funds**; Mr. Barlow seconded the motion. The motion passed without dissent.

Mr. Lawson presented **A2004-0389, Cave Region Agritourism, Inc.** This application received high priority from Allen, Barren, Monroe, Warren County's. The applicant requested \$2,250 in county funds and 20,250 in state funds to implement a regional marketing education plan designed to increase revenue of farm based tourism enterprises. Matching funds are being raised through sponsorships, grants funds, membership fees and proceeds generated by regional marketing events. The Agricultural Development Funds will be used to support the Agritourism initiative for the first three years at which the Marketing Endowment Fund program will be self sustaining.

Mr. Lawson moved that **A2004-0389 be approved for \$500 in Warren County Funds, \$750 in Barren County funds, \$500 in Allen County Funds, and \$500 in Monroe County funds and \$20,250 in state funds**; Mr. Mahan seconded the motion. The motion passed without dissent.

Mr. Lawson presented **A2004-0406, Jefferson County Farm Bureau, Inc.**; this application received a high priority from Jefferson County. The applicant requested \$4,000 in Jefferson County Funds for the Ohio Valley Harvest Festival is a one day event designed to draw attention to the value of the family farm to Kentucky, and to demonstrate creative ways of cooking with fresh, Kentucky grown beef, pork,

chicken, fruits, and vegetables. The festival has been going for 9 years and has had 112 producers who have benefited from 29 counties. In addition 102 restaurants have participated in this festival. The festival allows local producers the opportunity to add value to their products and interact with the urban citizens and chefs.

Mr. Lawson moved that **A2004-0406 be approved for \$4,000 in county funds;** Ms. Amburgey seconded the motion. The motion passed without dissent.

Mr. Lawson presented **A2004-0412, Breckinridge County Soil Conservation District;** received a high priority from Breckinridge County. Breckinridge County Soil Conservation District requested \$40,000 in County funds so that it can offer cost share Lime program again in Breckinridge County. Funds will be used to reimburse producers on dollar for dollar match not to exceed \$6 per ton for the lime with a \$1,200 maximum per farming operation. The Breckinridge County Soil Conservation District Lime project is expected to benefit at least 33 Breckinridge County producers.

Mr. Lawson moved that **A2004-0412 be approved for \$40,000 in county funds;** Mr. Moore seconded the motion. The motion passed without dissent.

Recommendations for No Funding

Mr. Lawson presented **A2003-0102, Kentucky Heartland Nursery Association.** The applicant requested \$9,000 in Marion County funds and \$155,000 in state funds to develop the operational capacity of the organization by offering educational training, a capital access program and the purchase of equipment to be used on a shared use arrangement. Mr. Lawson moved that no funds be awarded to A2003-0102 on the basis that the majority of the request was available through other sources; Mr. Dick seconded the motion. The motion passed without dissent.

Mr. Lawson presented **A2004-0384, Barren River Area Development District.** The applicant requested \$40,000.00 in Warren County funds so that it could continue to offer cost share assistance with the Goat Diversification Program in Warren County. Mr. Lawson moved that no funds be awarded to A2004-0384 based on the fact that the Warren County Agricultural Development Council rated this request as a low priority and did not commit any county funds; Mr. Moore seconded the motion. The motion passed without dissent.

Mr. Lawson presented **A2004-0385, Warren County Farm Bureau of Warren County, Kentucky.** The applicant requested \$26,500 in Warren County funds so that it could continue to offer cost share assistance with Cattle Genetics Improvement Program. Mr. Lawson moved that no funds be awarded to A2004-0385 based on the fact that Warren County Agricultural Development Council rated this request a low priority and did not commit any county funds; Mr. Moore seconded the motion. The motion passed without dissent.

Mr. Lawson presented **A2004-0386, Warren County Cattle Producers Association, Inc.** The applicant requested \$70,000 in Warren County funds so that it may offer Hay, Straw, and Commodity Storage Program in Warren County. Mr. Lawson moved that no funds be awarded to A2004-0386 based on the fact that the Warren County Agricultural Development Council rated this request a low priority and did not commit any county funds; Mr. Mahan seconded the motion. The motion passed without dissent.

Mr. Lawson presented **A2004-0397, Mammoth Cave Area Goat Producers Association, Inc.** The applicant requested \$1,332 in funds so the construction of a 30'X60' hoop structure barn on the Western Kentucky University that will be used to conduct goat performance testing and research. Mr. Lawson moved that no funds be awarded to A2004-0397 based on the fact that the Warren County Agricultural Development Council rated this request a low priority and did not commit any county funds; Mr. Barlow seconded the motion. The motion passed without dissent.

Mr. Lawson presented **A2004-0413, SKAC, Inc.** The applicant requested \$1,500 in Breckinridge County funds to cost share on the purchase of shrimp harvest equipment. Mr. Lawson moved that no funds be awarded to A2004-0413 based on the fact that the Breckinridge County Agricultural Development Council rated this request a low priority and did not commit any county funds; Mr. Dick seconded the motion. The motion passed without dissent.

Other Business

Old Business
None

New Business
H.H. Barlow presented a proposed Kentucky Development Program. Mr. Barlow feels the dairy industry has been left out of the agriculture development process, and is interested in a dairy county model program.
Mr. Barlow interested in a Dairy County Model Program

Commissioner Farmer thanked Mr. Barlow; and noted this issue affects all of the economy

Discussion

Commissioner Farmer wants to give the industry an opportunity.

Mr. Rogers asks if this proposal is the blueprint for traditional agriculture.

Mr. Moore noted that if KY loses dairy then we lose our infrastructure.

Mr. Rogers provided comments to Mr. Barlow on identifying an entity for an application down the road.

Ms. Brown commented that dairy diversification is a good change from tobacco.

Mr. Cleaver asked if dairies that have been shut down would be eligible.

Mr. Rogers indicated that these are currently for working dairies.

Study on Regional Farmers Market (see paper)

Commissioner Farmer introduced Janet Eaton the Farmer's Market Specialist who presented her findings.

Commissioner Farmer also introduced Mac Stone who is new to the Kentucky Department of Agriculture.

Topics Discussed

Defined Farmer's Market terms
Deciding what was a regional farmers market
Recommendations

Commissioner Farmer said starting small and get bigger is what works best.

Dean Smith commented that community markets are self-sustaining; and noted that stepping up to a regional market you still have to pay the bills.

Mr. Griffin explained he believes this is a waste of time and money, since farmers would have a hard time moving from community to regional markets, the season is so short for these products.

Commissioner Farmer wanted to try to combine this issue with Agri Tourism, bringing in crafts quilts, and other Kentucky grown projects.

Mr. Griffin thinks they need to improve their model because a regional market will not work.

Mr. Rogers introduced the Strategic Planning Retreat

The retreat will be held at Lure Lodge located at Lake Cumberland

It will begin at 10:00 AM EST 9:00 AM CT Thursday October 14th and will end no later than 2:00 PM Central time Friday afternoon October 15th.

Mr. Rogers let the board know they will be receiving more information shortly. The information in your Strategic Planning Binder is:

House Bill 611
Long term plan
Original Planning
Policy Memos
Topics for Review
Financial References
Non Model Application Packet
ADB Committee-Oversight Committee questioned about these committees

Mr. Rogers asked if there were any questions or any additional information needed.

- Mr. Griffin would like the list and status of all projects and give a category satisfactory or unsatisfactory to the projects.
- Impact of a buyout (really study this)

Rodney Dick made a motion, in open session that the Board needs to go into closed session pursuant to KRS 61.810(1) (c) to discuss "proposed litigation" on behalf of the Board; Sam Lawson seconded the motion. The board reconvened for closed session after a brief break and the meeting was adjourned at 5:00 PM.

Closing Remarks

The next meeting of the Kentucky Agricultural Development Board will convene at 10:00 AM on Thursday, October 14, 2004 – October 15, 2004 at Lake Cumberland Lure Lodge. Note time and location of meeting subject to change; ample notification will be given if such a change occurs.
